

FREE High-Speed Internet

Act quickly and get up to a year of free service*
To get your free months of high-speed Internet service,
contact your local FairPoint Account Executive or
call 1.866.984.3001 before 11/24/2009

Sign-up for FairPoint Internet access by November 24th and get up to 12 months of free High-speed Internet. You'll appreciate the value-added features and business functionality of FairPoint High Speed Internet, including:

- Free use of modem (unlike many other providers)
- Free Security Suite, including the latest anti-virus, anti-spam and online fraud protection (a \$49.99 value)
- Free 250MB online backup storage
- One bill for voice, data, and long distance from one company
- Speak with your dedicated business team for customized business solutions and 24/7 support
- Local, dedicated account support team

In addition to high-speed Internet, FairPoint offers a variety of features and functions for your business voice lines including long distance service, easy-to-use calling features like caller ID, voice mail and 3-way calling, and money-saving plans.

Request more information

*Limited-time offer. Call for details. POTS or FairPAK voice service required. FairPoint FairPAK service must be billed to the same FairPoint phone number. Minimum two lines, maximum 30 lines required for FairPAK customers. Three-year voice contract optional for FairPAK and minimum one year for High Speed Internet. Early termination fees may apply. Prices for voice services vary by state. Eligibility restrictions, equipment fees, additional charges, taxes and additional terms apply. FAST Internet Business customers purchasing voice service receive both services over fiber. 768k plans not included. Service provided by FairPoint Communications in accordance with filed and effective tariffs. Other restrictions may apply. FairPAK may not be available in all central office locations. Not all services available in all areas. Services subject to change. © 2009 FairPoint Communications, Inc. All rights reserved.
